Who we are

Biladrogroupp LLC is a US-registered online retail group founded in 2026. We build and operate our own direct-to-consumer fashion and lifestyle stores for customers in the United Kingdom — with documented quality standards, fully tracked delivery, a published 30-day return policy and support that answers within one business day.

What we do

- Design, launch and operate our own branded online stores (no marketplace, no wholesale, no third-party sellers).
- Select products deliberately against a documented pre-listing checklist: lawful, authentic, accurately represented, deliverable as promised.
- Fulfil through a small vetted partner network with 100% tracked shipping and a lean, partner-held inventory model — disclosed openly.
- Operate published customer policies: 30-day returns, 5–10 day refunds, two-step complaints procedure with fixed response times.

Categories

First store (launching 2026): women's fashion — dresses, tops, knitwear, outerwear — and bags & accessories. Home & living is planned for 2027, gated on service benchmarks.

Payments and risk

Store payments are processed exclusively by established PCI-DSS-certified providers; we never see or store card details. We accept payments solely for our own retail sales and do not process funds for any third party.
